

## **Revision Guide: Moving from Writing for Self to Writing for Others**

The following are some of the elements of your writing that you may want to revise when you have an audience other than oneself. After you have read a classmate's personal piece, discuss the how the writer could use the following revision strategies to rewrite their piece for a different audience. Record your revision ideas below.

- Add information or further explanation
- Omit unnecessary detail
- Set the scene
- Use Dialogue
- Use interior monologue
- Improve sensory descriptions
- Improve character descriptions
- Include figurative language
- Use a flashback or create a frame narrative
- Other: \_\_\_\_\_
