

## Grammar Pet Peeves Analysis Chart

The Pet Peeve	The Ranter's Reasoning	Type of Error			Additional Comments
		"Error" interferes with meaning?	"Error" marks social class or race?	"Error" of hypercorrectness?	
February pronounced as "Feb-you-ary"	There are two "r's" in "February," and they should both be pronounced			X	Has anyone ever heard of "silent letters"? Does anyone still pronounce the "k" in "knee"? Most people would think you're odd if you pronounced both "r's" in the word.
