

Reflection: Partner Work

Name: _____

Partner: _____

Date: _____

What poem (title and author) did you and your partner choose to perform for your classmates?

Why did you and your partner decide to use this poem for your oral reading performance?

What cues does the author provide for reading the poem out loud with expression?

How does the poem's meaning affect your reading of the poem out loud with expression?

In what ways did your oral reading differ from your partner's oral reading? In places where you read differently, how did both of you decide which way to read for your oral reading performance?

After reading the poem out loud, what did you and your partner decide this poem means? What is the poem's theme? What is the poem's point of view? What is the poem's tone?
