Monday 10 AM
Getting the Assignment

We got the assignment and I wrote some notes down on the assignment sheet. My ideas felt really lame.

Monday 6 PM
Brainstorming

Met at the library with Jennie to come up with better ideas. I decided to write about Mama's plant as a symbol in the play. Definitely felt better.

Tuesday 10 AM
Writing in Class

Tuesday was writing day, so I just wrote as much as I could in my journal. I got a lot of words, but I don't think it's very good writing.

Wednesday 7 PM
Working on Draft

I went through my notes with a highlighter and put the best ideas together. It went okay. I wish I could find a better way to explain the plant.
