

Fair Use Survey

	I Agree	I Disagree
1. It is legal to burn CDs of music for my friends.		
2. If I buy a CD or buy a song online (via iTunes for instance), it's okay to use it as the background for my Web page.		
3. It's legal to post the lyrics to my favorite song on my Web page.		
4. I can legally make copies of the DVDs that I borrow from the library so that I don't have to check them out again.		
5. If I buy a song online, it's legal for me to burn a CD backup of the song.		
6. If I buy a computer game, I can install it on my computer and my best friend's computer so that we can play together.		
7. It's legal to record a movie on television so that I can watch it later.		
8. If I take a picture, I can use it on my Web site or as an illustration for a paper that I'm writing.		
9. As long as the book is listed on my Works Cited page, I can copy anything from the book into my paper.		
10. I can make a back-up copy of software that I buy.
