Grade 1 D3

Thursday, Dec. 7

1. Read and log

2. Writing Buddy Books

It's time to write your buddy again. Read your buddy's letter then answer the questions your buddy has asked. Include the latest things you've been doing at home and in school. Write neatly and don't forget to sign your name at the end of your letter.

Ask family members to reread your letter. They may want to write the correct spelling of a word above the word that looks confusing. Please make sure your buddy will be able to read your letter.

3. Visit our Web page and check out the pictures from the Hawaii Nature Center. www.punahou.edu/js/d3/

Have a great evening!
