

Sensory Imagery in Poetry Checklist

Use the following guidelines to make sure you follow the directions while writing your poem:

I selected an object as the subject of my poem.

What is the subject of your poem?

I used at least three of the five senses to create sensory images in my poem.

Create a list in the space below of sensory images you used in your poem.

The sensory images I used worked to give the subject of my poem more meaning.

Explain in the space below.
