## PEER EDITING CHECKLIST

Use this checklist as a guide to help edit and revise your partner's Revolutionary War Figure Acrostic Poem. Follow the directions in the Checklist column and write your feedback in the Comments/Suggestions column.

Checklist	Comments/Suggestions
<p><b>Read through the poem and offer praise first.</b> Was there a phrase or a line that you really liked? Tell your partner something wonderful about his or her work.</p>	
<p><b>Did your partner follow the guiding question:</b> <i>Who was this person and how did he or she impact the American Revolution?</i> Make sure all of the information relates to that central question. Cross off any information that you think does not relate.</p>	
<p><b>Check spelling.</b> Circle any words that you think your partner needs to look up in a dictionary. Give suggestions for spelling if you can help.</p>	
<p><b>Check punctuation.</b> Did your partner use commas, periods, and capital letters where necessary?</p>
