

Student Question Chart

Name: _____

Title of text: _____

Instructions: Write one or two questions for each category.

<p style="text-align: center;"><i>Right There Questions</i></p> <p>The answer to these questions is in one place and often the words from the question and the answer are in the same sentence.</p>	<p style="text-align: center;"><i>Think and Search Questions</i></p> <p>These answers are in the text, but may be a little harder to find.</p>
<p style="text-align: center;"><i>Author and Me Questions</i></p> <p>The answer is not in the text. You must think about what you learned from the text and what you know to get an answer.</p>	<p style="text-align: center;"><i>On My Own Questions</i></p> <p>The answer is not in the text. You must rely on what you know to answer.</p>
