

The Wild Rumpus

Max, the King of Wild Things, leads the Wild Things as they shout, sing, and dance.

Colin, inspired by Maurice Sendak

Dear Mom,
After a long trip at sea, I landed in the world of the Wild Things. I used my magic on them to become their king. The Wild Rumpus was fun, but I think I might be ready to come home now. What's for dinner?

I miss you,
Max
