

Stapleless Book Planning Sheet

Circle the layout that you want for each page of your book and make notes in the block on what you'll write on that page.

<p>Title Page—Page 1</p> <div style="text-align: center; margin-top: 100px;">  </div>	<p>Page 5</p> <div style="text-align: center; margin-top: 100px;">  </div>
<p>Page 2</p> <div style="text-align: center; margin-top: 100px;">  </div>	<p>Page 6</p> <div style="text-align: center; margin-top: 100px;">  </div>
<p>Page 3</p> <div style="text-align: center; margin-top: 100px;">  </div>	<p>Page 7</p> <div style="text-align: center; margin-top: 100px;">  </div>
<p>Page 4</p> <div style="text-align: center; margin-top: 100px;">  </div>	<p>Back Cover</p> <p style="font-size: 1.2em; margin-top: 20px;">[The back cover includes information about the ReadWriteThink Site]</p>

Here's an enlarged version of the layouts to help you make your choice for each page of your book:
