

## Voki Dialect Checklist

Do you have the following items in your script?

- Your character's name
- Who your character is (describe what you know about them)
- What your character does throughout *Great Expectations*
- Where your character is from
- Important events from the story in which your character is involved

Did you write your script in the correct format?

- First person perspective
- Use at least 5 examples of dialect
- Does the dialect correctly portray your character's background?
- When you read your script out loud, can you complete it in 90 seconds?

How does your Voki character look?

- An appropriate background for your character
- Appropriate clothing accessories
- Name
- Creativity
