6. Click the button **Study Multiple Sets** and then the screen will show all sets, those that you have created and those that you have marked as your favorites. Check those you want to study and then the button **Start Study Session**. Now you will see the cards from both sets.

7. To use the **Quiz Me** button, you must first flag the flashcards you want in the quiz. Go through the flashcards and click **Flag Card** for those cards you want to include in a quiz. When you have marked all the words you want in your quiz, click **End Session**.
8. This will return you to My Flashcards. Click the **Study Multiple Sets** button. Click the sets you want to study and the **Quiz Me** button.
