# Written Conversation Planning Sheet

.....

1. How did the author use speech bubbles and thought bubbles? Plan how you could use these to show how you were speaking to each other.

2. Plan the sequence of your conversation. How many frames will you need? What will you discuss in each frame?

3. Did the author use captions? How could you use captions in your own comic?

4. Did the author use **bold**, *italics*, or word shape/color to add to meaning? How could you use these features in your conversation about the comic?

5. How were pictures important for the story? How could you use pictures?

6. How could you make use of sound words (onomatopoeia) to add meaning to your explanation?
