

# Multigenre Autobiography: Contextual Essay Planning Sheet

What kinds of background information will the audience of your autobiographical essay need? Include specific examples of the information you plan to include. You may have information from only one category, or you may have information from several.

Historical	Familial	Cultural	Other

Based on your observations in the columns above, where will you find the information you need? Do you need to interview a family member? Consult an online source? Make a plan for your informal research in the space below:
