Reflective Letter Assignment
by Anne Arvidson*

When you have completed this project, I would like you to write me a brief, reflective letter telling me what you felt as you were doing this assignment and after it was finished.

✓ Tell me what you worked on the hardest or struggled with in doing this assignment
✓ Share with me what you think you did well: what worked, really worked
✓ Show me where you were drawn into the assignment and where you were pulled away from it. What did you do to get back into the work?
✓ Share your overall impressions of this writing assignment.

Your REFLECTIVE LETTER is your chance to “talk” with me about your writing, your learning, and your experiences in completing this assignment. With your letter, make me see your work – and your learning – through your eyes.
