

Evaluation Sheet

Name: _____

Date: _____

Write _____ sentences in each box using words with the designated prefix.

Prefix: _____	Prefix: _____
Prefix: _____	Prefix: _____

What is a prefix? Please explain in one sentence.

Give an example of how you can use a prefix to help figure out a word's meaning.

EXAMPLE: *invisible*. The prefix *in-* means not, and *visible* means something that can be seen. Therefore, *in* + *visible* means something that cannot be seen.

Without a microscope, atoms are invisible to the human eye.
