Literature Resources for Holocaust Group Project

**Starred resources are superb for middle school student use.

Kallan, Stuart A. *The Faces of Resistance*. Minneapolis: Abdo Consulting
Group, Inc., 1994. **

**Additional Notes:**
The United States Holocaust Memorial Museum has several very helpful and informative pamphlets covering the various aspects of the Holocaust which would be beneficial for your classroom.

Both the Teen Witnesses series (The Rosen Publishing Group) and The Holocaust Library series (Lucent Books) are extremely helpful and easy for middle school students to use.

Dr. Levy’s book, *The Holocaust in Perspective*, actually a textbook, is very user-friendly and highly recommended.
