

INTRODUCTION OF CONCEPTS

1. Look up each word in the dictionary and write the definition that best fits what we have been discussing in class.

Identity:

Stereotype:

Discrimination:

2. Fill in the blanks of this story with the word above that best fits the context:

Ana was proud of her _____ as a woman doctor.

Sometimes she felt _____ when people didn't trust her because she was female.

She was challenging the _____ some people have that all doctors are men.

Other doctors at her hospital, both men and women, said people have many _____ about them.

They each have their own _____ besides that of being a doctor.

They all believe they should stick up for each other and not tolerate _____ against anyone.

3. Write the correct word that corresponds to each definition:

The distinguishing character or personality of an individual: _____

An oversimplified opinion; prejudiced attitude; generalization: _____

Prejudiced outlook, action, or treatment: _____

4. What term best describes the words *identity*, *stereotype*, and *discrimination*?

Things

Concepts

Adjectives

Pronouns

5. Why? _____
6. How do you see your own identity? (What is important to you about who you are?)
7. On the back of this paper, write a real-life example of stereotypes or discrimination. It can be something you have experienced personally or something you have heard about.
