

Tell Me About Your Summer

Use these questions to learn more about each other's summer memories. Choose a specific summer (for example, the summer after fourth grade). You should ask the child questions first and then have him or her ask you the questions for the summer you were the same age. Write down the answers on the back of this sheet or a separate piece of paper.

Things to Do

What did you do most days that summer?

Did you take any trips? If you did, where did you go? What did you do?

Outdoor Activities

What did you like to do outside that summer?
