PICTURE BOOK NOTES

You have just read through some picture books. Use this experience and what you know about this genre to answer the following questions.

List three things that the books you looked at have in common.

1.

2.

3.

Describe the types of words that the authors use.

Why do you think the authors use words like this?

List three things you noticed about the illustrations.

1.

2.

3.

Describe the different ways that the words and pictures interacted in the books you looked at. (For example, were the text and pictures on the same page? Was the text on the left page and the picture on the right? Did it change from page to page?)

How long were the books you looked at? _____

What are your overall impressions of the books?
