

# BioBag Assignment

**What:** A BioBag

**How:** Choose any written works that have been important to you or that you love (you must have at least five written works) and bring them to school\*. You might bring the first book you could read by yourself, a letter that you like to read over and over, a special recipe, a favorite trading card, etc. Please try to include a variety of written works. Place all your items in a bag (the bag can be special, too) and bring it to class to share. You will get to tell the class why each of the works is special to you and how it has impacted your life.

**When:** You will share your BioBag with the class on \_\_\_\_\_

\* If you no longer have the book or other written piece, draw a picture and write a summary explaining what the written work was about.
