

Self-Reflection on the Music and Me Project

On this page, you will reflect on the creation of your Music and Me project and the resulting movie.

1. Describe how you chose the images for your project:

2. Did creating a personal visual representation of the song change your original feelings about the song? How?

3. Describe the transitions you used and explain why you chose them:

4. Describe the effects you used and how they added to the meaning:

5. Discuss how the words you added in the title, credits, or within the body of the movie impact the meaning:

6. What does your final project mean to you?

7. What message do you hope it expresses to viewers?

9. What did you learn about technology through participating in this project?
