

Student-Made Quiz

Directions: Use the space below to formulate five quiz questions for your peers. Your goal is to help your peers move beyond their recognition of the text's main ideas and to test their understanding of the text's significance, or the "So What?" of the text. While you are to work together, each group member is responsible for formulating at least one quiz question. Please record a group member's name before each question.

_____ 1) _____

_____ 2) _____

_____ 3) _____

_____ 4) _____

_____ 5) _____
