

What Ethical Values Did I Use?

Directions: Write a short letter of no more than a page to your teacher and classmates in which you discuss how you used ethical values in your persuasive letter. Be sure to answer the following questions in your letter.

1. What ethical values did I use in my paper and where?
2. Why did I use these values?
3. How do these values make my argument more persuasive?
4. If I had more time, what other values might I use in my paper to make it stronger?
