

Great Immigrants, Great Americans: Raj Panjabi- Tableau Scenarios

Scenario 1

Participant 1: Two people are playing soccer in the World Cup. It's your chance to score the winning goal and go home with the trophy and bragging rights.

Participant 2: You're on the opposing team and must stop the opponent from scoring the game winning goal.

Scenario 2

Participant 1: Father speaking with a son for what may be the last time

Participant 2: Son listening to the father's instructions, advice and/or encouragement

Scenario 3

Participant 1: Mother who has almost given up hope of ever seeing your husband again, realizing you may be raising two children alone in a new, different country

Participant 2: Son overhearing your mother's prayer
