___ I was able to sketch an illustration from each mouse's perspective.

___ I tried to see each part of the story from the perspective of a mouse.

___ I took all of the illustrations from the different perspectives of the different mice to form an overall image of the entire picture.

___ I "took apart" the book to better understand what was going on, especially with regard to the points of view of the character(s).

___ I talked with my peer(s) about what the entire picture might be.

___ I provided proof to back up my theory of what the entire picture might be.
