

Teacher Rating Form: Sketch to Stretch

Student: _____ Score: _____

3	Sketches clearly illustrate that the student is thinking from the character's perspective. Sketches are free from extraneous details that detract from the character's perspective.
2	Sketches illustrate that the student is attempting to think from the character's perspective. Sketches may or may not contain extraneous details that detract from the character's perspective.
1	Sketches illustrate a superficial understanding of text and do not demonstrate that the student is thinking from the perspective of the character. Sketches contain extraneous details that detract from the character's perspective.
0	Sketches do not demonstrate any connection to the book or the character's perspective.
