	<b>Beginning</b>	<b>Developing</b>	<b>Accomplished</b>	<b>Exemplary</b>
<b>Form</b>	I did not use one of the three poem types (forms) discussed and assigned in class.	I somewhat used one of the three poem types (forms) discussed and assigned in class.	I effectively used one of the three poem types (forms) discussed and assigned in class.	I came up with a creative way to use one of the poem types (forms) discussed and assigned in class.
<b>Poetic Elements</b>	My poem does not include sensory words, rhyme, repetition, and mood.	My poem includes some sensory words, rhyme, repetition, and mood.	My poem contains sensory words, rhyme, repetition, and mood.	My poem contains sensory words, rhyme, repetition, and mood, which are used in a creative manner.
<b>Language Conventions (Spelling, Grammar, Punctuation)</b>	I have a lot of misspelled words, grammatical errors, and incorrect/missing punctuation.	I have a few misspelled words, grammatical errors, or incorrect punctuation.	I have 1 or 2 errors in spelling, grammar, or punctuation, but these do not take away from the reader's understanding of your poem.	Very few, if any, errors can be found in my poem.
<b>Effort</b>	I did not try my personal best on this assignment; more work and time should have been put into it.	I somewhat tried to do my personal best on this assignment, but the work could have been better.	I did my personal best on this assignment; I did everything I could to succeed.	I challenged myself to do well on this project, took my time, and pushed myself to succeed even when I thought I couldn't do any more.
<b>Illustration</b>	I did not include any illustrations, pictures, or videos.	The illustrations/ pictures I chose may add to the meaning of your poem, but there are probably pictures that would better help the reader understand what the poem is about.	My chosen illustrations/ pictures enhance the poem's meaning.	I creatively and effectively used illustrations/ pictures to enhance the poem's meaning.
