**Topic:**  
**Bread**

## What I **K**now

Bread is made with flour  
You bake it  
It tastes good  
There is white bread and wheat bread  
You need to knead the dough

## What I **W**ant to learn

What causes bread to rise?  
Who invented bread?  
Why do you knead

## What I **L**earned

Yeast causes bread to rise  
There are many types of bread that use different types of flour  
Dough is kneaded to form gluten.  
Different cultures invented their own breads
