Helpful Haiku Hints

Ideas to keep in mind when writing haiku...

1. Different Haiku Forms
   - 3 Lines (short line, long line, short line)
   - Syllable Structure (5 syllables in the first line, 7 syllables in the second line, 5 syllables in the last line) or 17 Syllables in Total
   - One-Two Breaths in Length

2. Images
   - In Nature
   - Descriptive Language Using The Senses
   - Can capture two separate images that are somehow connected

   Old pond-
   frog jumps in
   sound of the water
   -Matsuo Basho

   2 images- old pond and frog
   Sights- pond, frog, water
   Sounds- sound of water

3. Season Word
   - Winter River or Spring Rain

4. In the Moment
   - Write haiku in the moment of the experience.
Helpful Haiku Hints

5. Feeling, Surprise, Compassion

- “Lonely frog” or “Tiny frog sits in the rain” (relaying feeling/emotion)
- Element of surprise in the last line or moment of “ah”

hit by
a raindrop-
the snail closes up.

-Yosa Buson

-The snail closes up is the element of surprise or the “ah” moment. Usually some kind of movement or change occurs in the haiku that creates the element of surprise.
