

***A Tale of Two Cities* Texting**

From	To	Text Message	Rationale

From	To	Text Message	Rationale

Think About:

1. What does this text reveal about your character's background?
2. What does this text reveal about your character's personality?
3. What does this text reveal about your character's social status or background?
4. Does your character's text message reveal more information about him/her than they reveal initially in the novel.
5. What does this text reveal about your character's relationship with other characters in the novel.
6. What does this text reveal about your character's involvement in a major plot point.
