

Name: \_\_\_\_\_

**Profile: Find as many answers as you can.**

Person's Name	Birth:
Birthplace (hometown):	City in adult life (current city):
Single or Married or Widowed (relationship status):	For the English or for the colonists (political view):
Schools attended (education):	Religion:
People who inspire him/her:	Spouse if married:
Books he/she wrote or read:	Favorite activities:
Employer (for example, British Army, US Government, Continental Army, self-employed farmer):	
Address (See if there is a museum associated with your person and use that address. If not, make one up using vocabulary that reflects what your person did):	
Famous Quotations (can be what he/she said or what he/she would have heard during this time period):	

**Wall:** Twelve important things that happened in this person's life and when they happened. **Describe in detail** what happened. If anyone else was involved, add that person's name. Include the day, month, and year **whenever possible**.

Date	Event and description

**Friends:** The names of six people this person might have known and why they would know each other. Do not use their relatives unless they are famous. You probably will not be able to find pictures of relatives that aren't famous, so consider instead other patriots or Englishmen they would have known.

Name	Why is this person a friend to your person?
