

## Career Search

### Section One

Answer the following questions:

1. What is your earliest memory of wanting to be “something when you grew up?”
2. What job or career have you considered based on what a family member’s career choice?
3. What job or career have your considered based on what other adults in your life have chosen as their careers?
4. What is your “dream job?” Is it realistic?

### Section Two (after inventory)

1. What careers did the inventory suggest for you?
2. How do these results compare to your dream job?
3. What questions do you have after completing this inventory about your future career?

### Section Three (after presentations)

1. What surprised you about the career you researched?
2. Are you still interested in the career you researched? Why or why not?
3. Which careers did your classmates present that you might want to investigate?
