

## Five Slide Presentation Planner

For this presentation, you will create a visual and narrated display of your persuasive assignment. Use this chart to plan your presentation. For each slide you have approximately 30 seconds, so be concise. Also, practice and time your script to meet these time requirements. Under image, describe what image you would like to use.

Slide	Script	Image
1	Introduce your argument:	
2	Summarize your first reason:	
3	Summarize your second reason:	
4	Summarize your third reason.	
5	Conclude your argument. Tell the audience what action you want.
