ARTIFACT ANALYSIS QUESTIONS

1. Describe the shoe or boot you are looking at. What materials do you see - leather, plastic, other materials?

2. Is the shoe decorated? Describe the decorations.

3. Tell how the shoe feels and what it looks like.
 - What color is the shoe?
 - Does it feel smooth or rough?
 - Is the shoe large or small?

4. Who might wear this shoe? Do you think a child or an adult wore this shoe?

5. When do you think a person would wear this shoe? Is this a dress-up or work shoe?

6. Where do you think a person would wear this shoe?

7. Is this a shoe that people would wear today or was it worn a long time ago?
