

Problem and Solution Interactive Bulletin Board

Use problems that students can relate to and may deal with during the school year. There should be a solution paper envelope that has blank or lined paper for students to write their solutions on. Make a solution envelope next to each problem for students to put their solution in.

What's your solution?

Problem

My best friend is sick today, and I don't have anyone to play with at recess.

Solution

Problem

I don't understand how to do my worksheet.

Solution

Problem

I am done with my work, but everyone else is still working.

Solution

Problem

My friends are waiting for me to play, but I have to clean my room.
