
Blogging Instruction Sheet

What is a blog?

A blog is a place for you to share your thinking on the Internet. It is like a journal that you can share with many people.

Logging in to the blog

1. Type the Web address in the browser: <http://www.blogger.com/start>.
2. Click on the _____ link below Sign In.
3. Type _____ in the Username box.
4. Type _____ in the Password box.

Posting on the blog

1. On the dashboard, click on Posts.
2. Find your name and click Edit next to it. You will see your pictures.
3. Add your text for each picture. Use your Picture Description Sheet to help you decide what to write. Make sure that you include the following information:
 - A title
 - Your reasons for sharing the photo
 - What you think the photo says about courage

Responding to posts

1. You should to respond to _____ posts.
2. Click the comments link next to the post you want to respond to.
3. Respond to the post in the box under the Leave your comment heading. Make sure you include the following information:
 - A statement that agrees or disagrees with the picture and text
 - An explanation of your reasons for agreeing or disagreeing
 - A mention of another student's picture that supports what you are saying
 - An explanation of the theme you think the picture addresses
