

Copyright Article Assignment

For this assignment, you will be writing a newspaper article predicting one of the following situations:

- The future of a current copyright dispute
- A copyright dispute that could happen in the future because of a new technology
- A copyright dispute that could happen in the future because of a new way of using an existing technology

Use the questions below to decide which topic you want to write about.

1. Of the copyright disputes that you learned about in the groups' reports, which were the most interesting to you?
2. Of the ideas about technologies in the future that were listed on the board, which were the most interesting to you?
3. Of the ideas about current technologies used in a different way in the future, which were the most interesting to you?
4. Look at the items you listed above. On a separate piece of paper, spend one minute freewriting about each topic.
5. Which topic was the easiest for you to freewrite about? Which item did you write the most interesting things about? Which topic do you most want to write about?
