

Observation Rubric for Comparisons

Directions: Use this checklist to assess how well students were able to complete the Venn diagram. Were they able to see similarities and differences between *Charlie Needs a Cloak* and *A Symphony for the Sheep*? Did they use the information from the sequence charts?

Rating Scale: 1 = student did not do this
2 = student did this with prompting
3 = student did this independently

Student name	Student completed the Venn diagram	Student provided similarities and differences	Student used information from the sequence chart
