

Sample Solution Square

Try two of these solutions to solve your problem:

walk away	talk it out	make a deal
ask them to stop	ignore it	apologize
put it on the class meeting agenda	find a win-win solution	give an "I message"

If you still need help, ask a teacher. 😊

The Solution Square is based on "Wheel of Choice" in *Positive Discipline in the Classroom* (Nelsen, et. al., 1997, p. 110). This is an excellent resource for learning about how to conduct class meetings and how to teach students to give "I messages."
