

# Comparing "Whoever You Are" with Our School

by Sample

Printed on September 11, 2008

## Tile Concepts and Descriptions

1. acceptance:  
People are accepted even though they are different
2. judgment:  
People are judged based on how they're different from others
3. teasing:  
Kids are teased about how they look or act
4. friendship:  
Everyone can find something in common to make a friendship from
5. understand:  
People understand that differences are a part of life
6. mentors:  
We have older students who help us understand how to be accepting of others
7. separation:  
People have groups of friends that are separate from one another
8. in common:  
People focus on how they are the same, not all the ways they are different
9. no bulllys:  
Teachers talk about how we should behave and not bully each other
10. leaders:  
Teachers give awards to students who do a good job of accepting others at assemblies
11. favorites:  
Kids have their best friends and treat them differently from people they don't like as well
