# Occupation Description Rubric

---

---

**While writing each occupation description, I need to:**

- Write with the audience in mind (i.e., students, school staff, parents).
  
- Write with the blog format in mind (use simple, clear language; communicate my information using as few words as possible).
  
- Provide relevant information about the occupation.
  - work tasks
  - educational requirements
  - necessary skills
  - career growth potential
  
- Add unique and interesting details that people may not know about the occupation.
  
- Write up to 200 words.
