---

1. Please review the printed statistical report of your contributions to the discussion board.
  
2. According to the report, how many posts have you made so far? \_\_\_\_\_  
How does that compare to the number of posts made by your group members? (Did you post comments more or less often than other members of your group?) \_\_\_\_\_  
\_\_\_\_\_
  
3. How many words have you written so far? \_\_\_\_\_
  
4. What is your average number of words for each post? \_\_\_\_\_  
How does that compare to the average words per post of other members of your group? (Did you write more or less than your group members?) \_\_\_\_\_
  
5. Explain *why* you think you wrote more or less than other members of your group.
