## Peer Nominations for Excellence

Walk around the room and view the various blogs designed by your classmates. Browse. Enjoy. Link. Read the content—don't just view the graphics! It is the combination of the two that makes a blog strong.

Now, nominate two blogs for Excellence Awards. These blogs should represent their characters accurately AND demonstrate exceptional style and writing. Please write at least four sentences about each blog you nominate, explaining why it deserves the award.

Nominated Blog:

Blog Author:

Why do you think this blog deserves the Excellence Award?
