

What Am I? Self-check Sheet

Student author: _____ **Date:** _____

Poem: _____

Directions: Use the following questions to check your riddle.

The answer is a concrete object, which is _____.

I want the riddle to be (hard / kind of hard / not too hard) so I chose a (very specific / specific / or general) answer.

I've used figurative language such as metaphor, simile, and metonymy. Examples include:

Clues I've included to help my audience are:

Tricks I've used to help make the clues less obvious are:

The riddle has been tested by _____ people.

_____ thought it was difficult.

_____ thought it was somewhat hard.

_____ thought it was easy.
