

Phone Book Activity: What Does Your Phone Book Include?

After looking at the covers of your phone book, answer the following questions.

1. What communities are listed?
2. What are the area codes served?
3. What is the name of your telephone company?
4. What is the picture on the front cover of your phone book?
5. What is the date of your phone book? Why is the date important?
6. Does your phone book include the Yellow Pages?
7. What is on the back cover?
8. How is the inside back cover used?
9. Skim through your phone book to determine the extra information your phone book includes. Mark an X next to any of these items you found there.
 - a. Zip code map
 - b. Calendar
 - c. Transportation information
 - d. Advertisements describing different styles of telephones
 - e. Survival guide, first aid procedures

On the back of your paper, list any other special features you find in your phone book.
