

Evaluation Sheet

You have been given this card by an official Hand Washing Expert in the hope that you will **stay well!** Please ask the expert to tell you what happened in Miss Bindergarten's class and have the expert show you the proper way to wash your hands. Then rate the job he or she did by checking the criteria below.

The expert was able to retell what happened in Miss Bindergarten's class so I could understand:

- yes, very well
- okay
- no, I could not tell what happened

The expert showed me how to wash my hands and remembered these steps:

- Use warm running water and wet hands thoroughly.
- Add soap and rub hands to make a lather, washing vigorously for at least 20 seconds.
- Rinse hands under running water.
- Dry hands with paper towel and turn off water with the used towel before throwing it away.

Thank you for your feedback—and stay well!
