REFLECTIONS ON THE HARLEM RENAISSANCE

1. What impact did the Harlem Renaissance have on African Americans? What is the significance of this period in African American history?
2. What did I learn about the Harlem Renaissance by viewing it from different disciplinary perspectives?
3. How did learning about varied artists, musicians, and poets contribute to my understanding of this time period?
4. How effectively did my group's Venn diagram convey the connections across different disciplines?
5. List and describe three other concepts that you think would be enhanced by cross-disciplinary learning.
