

PhotoCard App Instructions

1. Tap on the PhotoCard app icon.
2. Tap "+New" on the bottom taskbar. If you get a message about erasing the card contents, tap "Erase."
3. Tap "Photos" on the bottom taskbar. Tap "Choose Nature Photo." Select one reflects your biome.
4. Tap "Back" on the bottom taskbar so the card will flip so you can write on the back of your postcard.
5. Tap on the stamp on the right side and choose a stamp that corresponds with your biome.
6. Tap "Tap here to address this card" on the right half and complete these steps.
 - For name, put your name so your teacher know who sent the postcard
 - For email, type your teacher's email address
 - Tap "Done."
7. Tap "Font" and choose a font for your message.
8. Tap on the left side and type your message. Be sure to write in sentences that are grammatically correct. Proofread your message carefully for spelling errors.
9. Tap "Actions" on the bottom taskbar. Tap "Send Postcard by Email."
10. The PhotoCard e-mail will pop up. Tap "Send" in the upper right corner.
